**NOTICE OF PROPOSED RULE MAKING**

Comment Date: September 17, 2001  
Reply Comment Date: October 2, 2001

By the Chief, Video Services Division:

1. The Commission has before it a petition for rule making filed by Surtsey Productions, Inc. ("Surtsey"), licensee of station KVCT-TV, NTSC channel 19, Victoria, Texas. Surtsey requests the substitution of DTV channel 11 for station KVCT-TV's assigned DTV channel 34.
2. Surtsey states that the adoption of its proposal to change channel and transmission site will permit station KVCT-TV to share a tower facility which will reduce Surtsey's transition costs. Surtsey also claims that the utilization of UHF channel 34 would require the installation of a more costly transmitter and transmission line and would result in a more costly power output level as compared to DTV operations on a VHF channel. Finally, Surtsey contends that the allotment of a VHF channel, rather than a UHF channel, will facilitate the introduction of digital television service to the area served by station KVCT-TV.
3. We believe petitioner's proposal warrants consideration. DTV Channel 11 can be substituted for DTV Channel 34 at Victoria, Texas, as proposed, in compliance with the principle community coverage requirements of Section 73.625(a) at coordinates (28-50-26 N. and 97-07-47 W.). In addition, we find that this channel change is acceptable under the 2 percent criterion for de minimis impact that is applied in evaluating requests for modification of initial DTV allotments under Section 73.623(c)(2). However, since the community of Victoria is located within 275 kilometers of the U.S.- Mexican border, concurrence by the Mexican government must be obtained for this allotment. We propose to substitute DTV Channel 11 for DTV Channel 34 for station KVCT-TV at Victoria with the following specifications:

State & City	DTV Channel	DTV power (kW)	Antenna HAAT (m)
TX Victoria	11	18.0	311

4. Accordingly, we seek comments on the proposed amendment of the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules, for the community listed below, to read as follows:

<u>City</u>	<u>Channel No.</u>	
	<u>Present</u>	<u>Proposed</u>
Victoria, Texas	15, 34	11, 15

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before September 17, 2001, and reply comments on or before October 2, 2001, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

Harry F. Cole  
 Bechtel & Cole  
 1901 L Street, NW  
 Suite 250  
 Washington, DC 20036  
 (Counsel for Surtsey Productions, Inc.)

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the TV Table of Allotments, Section 73.606(b) and 73.622(b) of the Commission's Rules. See Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981. The Regulatory Flexibility Act of 1980 would also not apply to rule making proceedings to amend the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules.

8. For further information concerning this proceeding, contact Pam Blumenthal, Mass Media Bureau, (202) 418-1600. For purposes of this restricted notice and comment rule making proceeding,

members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.
